The musical treatise, *A New Way of Making Four Parts in Counterpoint*, was published in 1977. It served as a source for *Four Hundred Songs and Dances from the Stuart Masque*. This treatise was central to the country's artistic elite and in music and dance, putting Campion in direct contact with the leading figures of the period. With these masques, Campion moved into the center of the country's artistic elite and in music and dance, putting Campion in direct contact with the leading figures of the period.
