Kenneth Grahame's The Wind in the Willows is considered a classic of English children's literature and has been translated into various languages. It was first published in 1908 and has been reprinted numerous times since then. The Wind in the Willows is a series of animal tales that capture the idyllic English countryside and feature the characters Toad, Mole, Rat, and Badger. It has been praised for its timeless and celebrated nature, and it has remained a fixture on children's literature lists for over a century.
