Heat is a part of life at Texas prisons, but a federal judge might. A prison is a secure facility that houses people who have been convicted of a felony criminal offense and are serving a sentence of typically 1 year or more. Prisons are operated by a state government or the federal government. "Penitentiary" is a synonym for prison. Correctional facilities are a form of institutional punishment and can include jails to hold detainees, inmates sentenced to one year, or state inmates temporarily while awaiting court appearances or instant transfers. Suicide watch: How prisons manage suicidal inmates - CNN
