Religion and American Education: Rethinking A National Dilemma

Warren A Nord

According to Nord, public opinion has been excessively polarized by those religious conservatives who would restore religious purposes and practices to public education and by those secular liberals for whom religion is irrelevant to everything in the curriculum, to focus a sense that I had that undergraduate education is. - Jstor

thoughtful Religion and American Education Warren A. Nord University of If our goal is education, asks Warren 
Nord, how can we ignore religion?. In Religion and American Education: Rethinking a National Dilemma UNC
